The Government is providing funding of £150 million per annum for academic years 2014/15, 2015/16 and 2016/17 to provide new, substantial primary school sport funding.

This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head teachers to spend on improving the quality of sport and PE for all their children.

The purpose of the funding is that schools will have to spend the sport funding in improving their provision of PE and sport, but they will have the freedom to choose how they do this.
